Features

- **Product types**
- **Products variants**
- **Fulfilment partners**
- **Promotion blocks**
- **Custom dashboard**
- **Complex order processing**
- **Multi Payment sources**
- **Vouchers**

Pros

- Lots of features
- Everything is customizable
- Class based views
- Templates subclassing

Cons

- Documentation is good but not enough examples
- Small community
- Customizing is very hard

**ONE DOES NOT
SIMPLY**

CUSTOMIZE DJANGO OSCAR
